### WORK EXPERIENCE:

- She started as a student at **Circo Keaton** in 2016. During the study, she taught aerial acrobatic for children from 6 to 10 years old. Then she became the first assistant for all the aerial acrobatic courses (teenagers and adult)
- She left Circo Keaton in January 2020 for going to study at **Aria di Circo** in Ancona where she has become one of the new aerial instructor for all the classes with Caterino Del Giudice in September of the same year.
- She has become the **Combricola dei Lillipuziani** 's new entry in the summer 2020. They create a new street show with illusionism, throwing knives and aerial acrobatic.

### SHOW:

**Steamproject (2020)** a new contemporary circus show with steampunk style. Creator and artists: Matteo Giorgetti e Veronica Severini.

**Elf (2020)** Aerial acrobatic show by and with Veronica Severini.
