

LA COMBRICCOLA DEI LILLIPUZIANI

Presents

LE DISAVVENTURE DEL PROFESSOR INKAPACIOVICH E IL MISTERO DELLA PIETRA FILOSOFALE

An eccentric professor from the east, a mysterious artifact with incredible powers. Amazing experiments at the limits of the supernatural, strange creatures, time machines! In search of a stone, capable of giving eternal youth to those who possess it, the Philosopher's Stone! It looks like the plot of an old movie but it is only the story of the most weird professor you have ever seen. Professor Inkapaciovich, with his absurd theories and his unpredictable experiments, will try to realize the greatest scientific discovery of our time! Having to answer one of the greatest mysteries of man: do we really need what we desire? The first production of illusionism of the Combriccola dei Lillipuziani, for the first time directed by Disguido, which will make you enter the world of exhilarating illusion, the joyfull science, of "Scientific" fun. A show for all scientists, young and old, ready to be astonished by laughter.
